The books were purchased by the dealer from the publisher or a jobber and the sheets were mimeographed in the dealer's office.

LIBELED: 8–30–57, E. Dist. Mich.

CHARGE: 502(a)—while held for sale, the labeling which accompanied the article contained false and misleading representations that it was an adequate and effective preventive and treatment for cancer, "what ails you," rejuvenation of the aged, keeping one young, adding years to one's life, healing ulcers, seborrhea, infectious hepatitis, stomatitis, eczema, acne, diabetes, cirrhosis of the liver, aiding growth, fertility in women past the menopause, rejuvenation of sexual activity, stimulation of appetite, elimination of nervous and vascular disorders, for heart disease, liver ailments and hemorrhoids, increasing mental activity, pimples, blackheads, other skin blemishes, rejuvenating the tissues of the skin, and other purposes; and 505(a)—the article was a new drug which may not be shipped in interstate commerce since an application filed pursuant to law was not effective with respect to the drug.

DISPOSITION: On 2–27–58, after consent of the parties, a decree of condemnation was entered finding the article misbranded within the meaning of 502(a) and dismissing the other allegations with prejudice, particularly the allegations claiming that the article was a new drug. The article was subsequently destroyed.
