concentrate, copper, manganese, magnesium, potassium, sulfur, chlorine, sodium, montmorillonite (wonder clay); and because the ingredients of the article were of natural or organic origin.

DISPOSITION: 6–26–63. Default—destruction.

29099. Vitamin-mineral capsules. (F.D.C. No. 48962. S. Nos. 8–669/70 V.)

QUANTITY: 58 100-capsule btls. and 20 50-capsule blts., at New Britain, Conn.

SHIPPED: In 1958, from New York, N.Y.

RESULTS OF INVESTIGATION: Analysis showed that the articles contained approximately (100-capsule size) 76 percent of the declared amount of vitamin C and 78 percent of the declared amount of vitamin B_1 and (50-capsule size) 78 percent of the declared amount of vitamin B_1.

LIBELED: 5–22–63, Dist. Conn.

CHARGE: 402(b)(1)—while held for sale, valuable constituents, vitamin C (100-capsule size) and (both lots) vitamin B_1, had been in part omitted or abstracted from the article; and 403(a)—the label statements (both lots) "Each capsule contains * * * Vitamin B_1 2.50 mg." and (100-capsule size) "Each capsule contains * * * Vitamin C 37.50 mg." were false and misleading.

DISPOSITION: 7–10–63. Default—destruction.

29100. Vigorped tablets. (F.D.C. No. 48645. S. No. 7–421 V.)

QUANTITY: 2 drums containing approximately 40,500 and 10,000 tablets respectively, 19 1,000-tablet btls., 22 500-tablet btls., and 9 100-tablet btls., at Lawrence, Mass., in possession of Pediatric Drug Co., Inc.

SHIPPED: 5–1–59, from St. Louis, Mo.

LABEL IN PART: (Btl.) "C. T. Brown Vigorped T–29 Each tablet contains: * * * Folic Acid 0.1 mg. * * * Dosage: 2 tablets 3 times a day * * * Manufactured for J. P. Drug Co., Lawrence, Mass."

ACCOMPANYING LABELING: Additional bottle labels reading as above.

RESULTS OF INVESTIGATION: The tablets were shipped in bulk drums and some tablets had been repacked and labeled as above by the dealer.

LIBELED: 2–20–63, Dist. Mass.

CHARGE: 402(a)(2)(C)—while held for sale, the article contained a food additive, namely, folic acid, which was unsafe within the meaning of 409, since it and its use or intended use were not in conformity with a regulation or exemption in effect pursuant to 409; 403(a)—the name of the repacked article "Vigorped" and statements in its labeling, were false and misleading in that they represented and suggested that the article was adequate and effective to promote vigor, growth, and health; and that the article was balanced and supplied 18 times the minimum daily requirement for vitamin B; 403(j)—the article was represented for special dietary use and its label failed to bear such information concerning its vitamin and mineral properties as the Secretary had determined to be, and by regulations prescribed as, necessary in order fully to inform purchasers as to its value for such use, since its label failed to bear, as required by regulations, a statement of the proportion of the minimum daily requirement for vitamin B_1, vitamin C, calcium, phosphorus and iron supplied by such food when consumed in a specified quantity during a period of one day.

DISPOSITION: 4–10–63. Default—destruction.
