

4009. Adulteration of cheese. U. S. v. Israel Abramson. Plea of guilty. Fine, \$10. (F. & D. No. 282-c.)

On April 22, 1915, the United States attorney for the District of Columbia, acting upon a report by the health officer of said District, authorized by the Secretary of Agriculture, filed in the police court of the District aforesaid an information against Israel Abramson, Washington, D. C., alleging the sale by said defendant, on January 11, 1915, at the District aforesaid, and in violation of the Food and Drugs Act, of a quantity of cheese which was adulterated.

Adulteration of the product was alleged in the information for the reason that a valuable constituent of said article of food, to wit, butter fat, had been left out and abstracted in whole or in part.

On April 22, 1915, the defendant entered a plea of guilty to the information, and the court imposed a fine of \$10.
