

3539. Adulteration of desiccated eggs. U. S. v. 2 Barrels of Desiccated Eggs. Default decree of condemnation, forfeiture, and destruction. (F. & D. No. 5510. I. S. No. 1954-h. S. No. 2074.)

On January 7, 1914, the United States attorney for the Southern District of California, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for the said district a libel for the seizure and condemnation of 2 barrels of desiccated eggs, remaining unsold in the original unbroken packages at Los Angeles, Cal., alleging that the product had been shipped on or about December 2, 1913, from the State of Texas into the State of California, and charging adulteration in violation of the Food and Drugs Act. The product was labeled, "Bishop & Co., Los Angeles, Powd. eggs."

Adulteration of the product was alleged in the libel for the reason that it consisted, in whole and in part, of a filthy, decomposed, and putrid animal and vegetable substance.

On February 9, 1914, no claimant having appeared for the property, judgment of condemnation and forfeiture was entered, and it was ordered by the court that the product should be destroyed by the United States marshal.
