BUREAU OF CHEMISTRY

SUPPLEMENT

N. J. 13551-13600

[Approved by the Acting Secretary of Agriculture, Washington, D. C., October 10, 1925]

NOTICES OF JUDGMENT UNDER THE FOOD AND DRUGS ACT

[Given pursuant to section 4 of the food and drugs act]

13551. Adulteration of shell eggs. U. S. v. Joseph W. Williams. Plea of guilty. Fine, \$25 and costs. (F. & D. No. 17690. I. S. No. 7617-v.)

On October 31, 1923, the United States attorney for the District of Kansas, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for said district an information against Joseph W. Williams, Republican City, Nebr., alleging shipment by said defendant, in violation of the food and drugs act, on or about November 28, 1922, from Atwood, Kans., into the State of Colorado, of a quantity of shell eggs which were adulterated. The article was labeled in part: "From Williams, Atwood, Ks."

Examination by the Bureau of Chemistry of this department of 1,620 eggs from the consignment showed that 281 eggs, or 17.34 per cent of those examined, were inedible eggs, consisting of black rots, mixed or white rots, moldy eggs, and spot rots.

Adulteration of the article was alleged in the information for the reason that it consisted in part of a filthy and decomposed and putrid animal substance.

On January 17, 1924, the defendant entered a plea of guilty to the information, and the court imposed a fine of \$25 and costs.

R. W. DUNLAP, *Acting Secretary of Agriculture.*

13552. Misbranding of Dr. Sanger capsules. U. S. v. 150 Bottles, et al., of Dr. Sanger Capsules. Default decrees of condemnation, forfeiture, and destruction. (F. & D. Nos. 19917, 19927, 19928. I. S. Nos. 3567-v, 3572-v, 3573-v. S. Nos. E-5192, E-5200, E-5251.)

On March 20 and 25, 1925, respectively, the United States attorney for the District of Porto Rico, acting upon reports by the Secretary of Agriculture, filed in the District Court of the United States for said district libels praying the seizure and condemnation of 366 bottles of Dr. Sanger capsules, in various lots, at Ponce and Mayaguez, P. R., alleging that the article had been shipped by Edward J. Moore Sons, Inc., Long Island City, N. Y., in part December 24, 1924, and in part February 16, 1925, and that it was being offered for sale and sold in the Territory of Porto Rico, and charging misbranding in violation of the food and drugs act as amended.

Analysis of a sample of the article by the Bureau of Chemistry of this department showed that the capsules contained copaiba balsam, cubebs, santal oil, and matico.
